

Datasheet

eBlocker 2 Base

eBlocker 2 Base is a small computer that is connected to your home network and protects your privacy on the Internet. It anonymizes your current IP address and ensures that you can surf anonymously. The eBlocker 2 Base prevents your Internet provider from spying on your surfing behavior and helps avoiding censorship and country-specific content blocking. The anonymous IP address can be set individually for each device. The IP country of origin is freely selectable thanks to the Tor network and all OpenVPN providers that are supported. Simply connect the eBlocker to your router, it works with **any** browser and without any software installation on any Internet-enabled device - even on Smart TVs and game consoles.

With the **eBlocker 2 Base** you get an additional 3 months free VPN from the premium provider Perfect Privacy – Save €36!

Functions and features

- Stops websites and data collectors spying on the "real" IP address
- Circumvents country-specific internet blocking
- Prevents Internet censorship worldwide
- Anonymizes the IP address individually via Tor network
- Country of anonymous IP address freely selectable
- No access to the Tor-Darknet (.onion domains)
- Supports all OpenVPN-enabled services for IP anonymization
- Incl. DNS-Firewall
- Prevents leaking the "real" IP address through WebRTC and Captive Portal requests
- Allows simultaneous anonymous surfing across multiple devices
- Includes 3 months of free VPN from premium provider Perfect Privacy
- Protects all operating systems, devices & browsers
- Enables anonymous surfing on the go
- No software installation thanks to Plug & Play
- Easy upgrade to eBlocker Pro and eBlocker Family protection features

Technical Specification

Product	
Product Type	eBlocker 2 Base
Article Number	
SKU	eblbas03vdsg002
EAN/GTIN	42 6045989 005 8
Housing	
Color	White
Dimensions	9 x 9 x 9 cm (HxWxL)
Weight	153 g (without accessories)
Package	
Packaging Dimensions	11 x 24,5 x 10,4 cm (HxWxL)
Weight incl. Package	560 g
Processor	
CPU	A31S ARM Cortex-A7, Quad-core, 1.2 GHz
Software	
Operation System	eBlockerOS 2
VPN-Service	
Perfect Privacy	Incl. 3 months cost free
Storage	
Memory	1GB DDR3
System Storage	8GB eMMC
Connectivity	
LAN Port	10/100/1000 Mbps Ethernet RJ45
USB	2 x USB 2.0
Power Supply	
Plugs	Country adapter for EU, UK, USA, AU, NZ and more
Voltage Input	100–240 V, 50/60 Hz
Voltage Output	5 V
Power Consumption	max. 10 W (Standby: <2 Watt)
LAN Cable	
Color	Orange
Category	CAT-6
Length	1 m
Packing Unit	
Box	10 pcs.
Palette	
Quantity per Pallet	360 pcs.
Size	Euro pallet (120 x 80cm)
Height	approx. 150cm
Production	
Country of Production	Germany

Package Contents

- eBlocker 2 Base
- Power supply incl. country adapter
- LAN cable CAT-6
- License card
- Quick Start Guide
- Camera sticker
